A MESSAGE FROM FATHER MIKE:

There are so many "treasures" I have chased after in my life: a Roy Rogers guitar at the age of 8; my first car at the age of 16; my first pair of real downhill skis at age 18; and a Commodore 64 Computer (BTW with a 12 inch black and white TV as a monitor.) All these things were going to make me and my life better. They did, for a short while. As I got older, I realized the "treasures" in life are not things like guitars or cars, but rather faith and belief, trust and integrity, and a relationship with God. What WERE your treasures? What ARE your treasures now?

A VIEW FROM THE PEW, MORE CONTAGIOUS THAN A VIRUS

It seems the virus continues to spread and we're at a loss on what's the best course going forward. But there's something else that is just as contagious and has the potential to spread faster than any virus, the Word of God! Christ's message can spread like a virus and overwhelm us in such a positive way. If we truly take His message to heart and put it into action, we can be that beacon of hope in a world that seems to be going dark.
