### A MESSAGE FROM FATHER MIKE:

Good Morning, My Dear Parishioners. This weekend is the classic loaves and fishes Gospel. We are all familiar with this particular Gospel. And there are so many different ways to look at it. I'm going to give you a challenge for not only this weekend, but also for the week. God has given every one of us gifts and talents. My challenge for you is to take your loaves and fishes and share them with those who need them. It may be food (BTW a special thanks for those of you who dropped off food to the rectory) or it may be your time. Whatever it is, take your loaves and fishes and God will direct you to those who need it the most. God bless you all!

### A VIEW FROM THE PEW, MORE CONTAGIOUS THAN A VIRUS

It seems the virus continues to spread and we're at a loss on what's the best course going forward. But there's something else that is just as contagious and has the potential to spread faster than any virus, the Word of God! Christ's message can spread like a virus and overwhelm us in such a positive way. If we truly take His message to heart and put it into action, we can be that beacon of hope in a world that seems to be going dark.

The next **Charismatic Mass and Healing Service** at St. John Bosco Church, Conyngham will be **Tuesday, August 18th at 7 PM**. Fr. Naphthali will preside. There will be no refreshments or reception following. Masks are required and you are reminded to maintain social distancing and to sanitize your area before leaving. Materials to sanitize will be provided.
