

My Fellow Parishioners,

In light of the announcement from the governor of Pennsylvania, there may be some confusion about churches and whether they are open or not. Following the guidelines of Bishop Bambera, the churches of Good Shepherd and Immaculate Conception will continue to remain open for all masses. It is imperative that people wear masks, sanitize as they come in, and practice social distancing. It is because we have been and will continue to be so vigilant in practicing these three things that the church can remain open safely. Thank you again for your prayers and concerns over this matter. See you in church this weekend.
